EDUCATION

Buddha Institute of Technology (AKTU) **Gorakhpur, UP, India**
B.Tech in Information Technology (7.5 CGPA) *Dec 2021 – July 2025*

St. Xavier's School **Sahjanwa ,Gorakhpur, UP, India**
CBSE (10) - 80% *April 2018 – May 2019*

Surmount International School **Gorakhpur, UP, India**
CBSE (12) - 69% *April 2020 – May 2021*

SKILLS

Programming Languages: Dart, C
Script and Web: JavaScript, HTML, CSS, BootStrap, Tailwind
Libraries and Tools: Flutter, React, MongoDB, VS Code, Git
Repository Tools: GitHub
Mobile Platform: Android Development
Deployment and Monetization: Google Play Console, Google AdMob

PROJECTS

My Portfolio 🔗 **React**
- Designed and developed a personal portfolio website using React to showcase my skills, projects, and contact information.
- Created a responsive, clean, and user-friendly layout with smooth navigation and interactive UI elements.
- Integrated external links to GitHub, LinkedIn, and resume for accessibility and professional presentation.
- Optimized the website for performance and cross-device compatibility, ensuring fast load times and a seamless user experience.

Dashboard UI 🔗 **Flutter**
- Designed a modern and interactive Dashboard UI using Flutter, ensuring a structured and visually engaging layout.
- Implemented a responsive grid-based design with sections for key metrics, real-time data visualization, and quick access to essential features.
- Optimized the UI for smooth animations, efficient navigation, and adaptability across different screen sizes on both Android and web.

Niramaya Homeopathy App (App Developer Intern) 🔗 **Flutter**
- Developing an Android application using Flutter for Niramaya Homeopathy to facilitate patient-doctor interaction and holistic treatment access.
- Implementing features such as appointment booking, treatment diseases, and secure in-app appointment.
- Designed a responsive and user-friendly interface tailored for Android devices.
- Published the app on the Google Play Store, ensuring smooth performance and scalability for real-time updates and growing user demands.

WORK EXPERIENCE

Digiquest Consultancy Services Pvt. Ltd. **Application Developer Intern (03/2025 – 06/2025)**
- Completed a 3-month internship focused on developing and maintaining mobile applications using Flutter.
- Contributed to UI development, API integration, and debugging tasks across multiple client projects.
- Collaborated with senior developers to implement user-centric features and ensure performance optimization.
- Gained hands-on experience in version control (Git), and deployment processes.

BrniX Media **Flutter Developer (07/2025 – 11/2025)**
- Engaged in the design, development, and deployment of web and mobile applications.
- Worked on front-end development using modern frameworks and enhanced user experience through responsive UI/UX design.
- Assisted in back-end API integration and testing to ensure seamless application performance.
- Applied Agile methodologies, version control (Git), and best coding practices to maintain scalability and code quality.

EXTRACURRICULAR ACTIVITIES

Technical Workshops and Seminars
- Attended and volunteered in multiple workshops focused on programming, development, and emerging technologies.

Sports and Cultural Activities
- Engaged in sports and cultural events, developing teamwork, discipline, and time management skills.
