EDUCATION

Buddha Institute of Technology (AKTU) — **Gorakhpur, UP, India**
B.Tech in Information Technology (7.5 CGPA) — *Dec 2021 – July 2025*

St. Xavier's School — **Sahjanwa ,Gorakhpur, UP, India**
CBSE (10) - 80% — *April 2018 – May 2019*

Surmount International School — **Gorakhpur, UP, India**
CBSE (12) - 69% — *April 2020 – May 2021*

SKILLS

Programming Languages: Dart
Script and Web: JavaScript, HTML, CSS, BootStrap, Tailwind
Libraries and Tools: Flutter, React, MongoDB, VS Code, Git
Repository Tools: Git Hub
Mobile Platform: Android Development

PROJECTS

Dashboard UI — **Flutter**
- Designed a modern and interactive Dashboard UI using Flutter, ensuring a structured and visually engaging layout.
- Implemented a responsive grid-based design with sections for key metrics, real-time data visualization, and quick access to essential features.
- Optimized the UI for smooth animations, efficient navigation, and adaptability across different screen sizes on both Android and web.

Hotstar Clone — **React, Firebase**
- Developed a fully functional clone of the Hotstar streaming platform using React for the frontend and Firebase for backend services.
- Implemented user authentication with Firebase Authentication, allowing users to sign up, log in, and manage their profiles securely.
- Used styled-components to create a consistent and visually appealing UI, mirroring the sleek design of popular streaming services.

Online Kachaheri — **Flutter (Undergoing)**
- Developed an Online Kachaheri application using Flutter, enabling users to connect with legal experts for consultations and dispute resolution.
- Implemented core functionalities such as legal consultation booking, case tracking, and document sharing with secure user authentication.
- Designed a responsive and user-friendly interface, offering a seamless experience across both Android and iOS platforms.
- Optimized the app's performance for smooth navigation and efficient real-time data updates, ensuring scalability and responsiveness for growing user demands.

WORK EXPERIENCE

Summer Intern, SPI Pvt Ltd — **August 2024 – September 2024**
- Gained hands-on experience in software development and project management.
- Collaborated with senior developers on the design and implementation of new features.
- Assisted in debugging and testing applications to ensure high-quality deliverables.
- Participated in code reviews, contributing to improvements in code quality and best practices.

- Recognized as the "Best Performer of Summer Training."

EXTRACURRICULAR ACTIVITIES

Technical Workshops and Seminars
- Attended and volunteered in multiple workshops focused on programming, development, and emerging technologies.

Open Source Contributions
- Contributed to open-source projects, demonstrating teamwork and a commitment to supporting the tech community.

Sports and Cultural Activities
- Engaged in sports and cultural events, developing teamwork, discipline, and time management skills.
